

The City of St. Michael is seeking several community members to join the Comprehensive Plan Steering Committee. This Committee offers an exciting opportunity to be part of an effort that will help shape the future of our city. Steering Committee members will be appointed by the City Council and will aid in the outreach, visioning, and decision-making process. The Council is particularly interested in residents that are ‘new’ to the community within the past few years.

Anticipated Duties:

- Attend ALL meetings (at least 3 Steering Committee meetings are anticipated in the evening from October through April)
- Occasional “homework”
- Share perspectives on City’s present needs and future opportunities
- Provide insight and feedback on drafts and reports
- Participate in visioning exercises
- Provide consensus recommendation of plan prior to public hearing and adoption
